The citation of the listed items is not a representation that they constitute a complete or exhaustive listing of the relevant art or that the references are prior art. The items listed are submitted in good faith, but are not intended to substitute for the Examiner's search. It is hoped, however, that in addition to apprising the Examiner of these particular items, they will assist in identifying fields of search and in making as full and complete a search as possible.

The listed items were all cited in an International Search Report mailed June 15, 2004 by the International Searching Authority (European Patent Office) in PCT/US 2004/002988. The '002988 PCT application corresponds to U.S. Patent Application Serial No. 10/459,935 filed June 12, 2003, U.S. Patent Application Serial No. 60/460,370 filed April 4, 2003 and U.S. Patent Application Serial No. 60/447,093 filed February 12, 2003, which disclose subject matter related to the subject application. A copy of the Search Report is enclosed. Copies of International Application Nos. WO 01/29836 and WO 02/44790 are enclosed. Also cited in the Search Report was U.S. Patent No. 6,340,114 which is already of record in this application.

The filing of this Information Disclosure Statement is not an admission that the information cited herein is, or is considered to be, material to patentability as defined in 37 C.F.R. § 1.56(b).

The claims of the application as now presented are believed to patentably distinguish over the prior art and to be in condition for allowance. Early and favorable consideration of the case is respectfully requested.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'J. M. Loeffler', written over a horizontal line.
